WRITE UP ON ENVIRONMENT EDUCATION

- **Green School:** Avalon World School Waghodia has maintained the ambience of the school as a green school by planting and maintaining various kinds of trees in the school campus. School promotes bio-degradable utensils in school canteen.
- Avalon World School Waghodia secured the 09th position in Vadodara among all Co-Ed Day Schools as per the esteemed Education World India School Ranking 2025-26.
- **Tree plantation:** Environmental awareness has been created through different activities like plantation of saplings, poster making, slogan writing etc.
- **Use of school application** –All school related information is shared through the ERP School App. Paper circulars and invitations have been stopped to save paper.
- **Water and Electricity Monitoring:** The students under the guidance of the Principal and teachers go on rounds and report if they find leaking taps. Students and teachers are trained to switch off all the electrical appliances before they leave the classroom for games or other activities. Water and Electricity monitoring in our school has reduced our water & electricity bill.
- **Compost Pit:** Degradable and Non-degradable wastes are separated. Bio-degradable waste generated in the school is used to make manure which is used for different plants in the school premises.

The school observed and conducted various programmes and activities as follows:

- **Environmental awareness programmes:** Paryavaran Sanrakshan, Earth Day, Elimination of single use plastic, Swachhata Pakhwada, Ecomitram quiz etc.
